

For 4 servings :

- 4 « îles flottantes » by Avi-Charente
- 8 chocolate cups (buy ready made)
- 4 shortbreads

*Using melted chocolate, glue 4 cups on the shortbread. Fill them with the custard from the “îles flottantes” and put the whipped egg whites on top.*

*Assemble the chocolate shells: melt the remaining cups and place them on the cups previously placed on the shortbread.*

*The top of the shells may then be perforated to reveal the inside.*

*Finally, decorate the whipped egg whites with the toffee available with the “îles flottantes”.*

*Enjoy!*
